EXPERIENCE

ADVANCED TESOL CERTIFIED ESL TEACHER SPROUT ONLINE SCHOOL

2016-CURRENT

- I enjoy teaching all age groups and people from all different backgrounds.
- I teach in group settings or on an individual basis, depending on the needs of the particular student.
- I have been trained to use over 40 different methods that have been proven to help my students learn English at a pace suitable for them specifically.
- I love learning about my students cultures and personality so I can cater each lesson just for them and their personal learning style.
- I try my best to help them progress, by keeping up with the latest proven methods.

VOLUNTEER TEACHER

2013-2016

- I have been trained to give large talks in front of large audiences on a regular basis.
- In order to do this we are trained to develop the special material in a way that when we may reach their individual hearts and motivates them.
- We are trained to be upbuilding and encouraging to our students and to hold their attention. Sometimes these audiences can reach up to 160 people at a time.

JD RESIDENTIAL AND COMMERCIAL PLUMBING

2016-2017

- Apprentice Plumber working with residential and commercial piping systems.

JAMES JADE LTD

2015-2016

- I began as a painter working on residences and commercial buildings all over Denver. Having moved into the workshop to work exclusively, I have learned how to make, finish and install cabinets.

COLORS OF EARTH PAINTING**2014-2015**

-I have the responsibility of working on multimillion dollar homes, caring for the quality of the work.

WERN AIR**2013-2014**

-I had the responsibility of caring for the HVAC service needs in eastern Colorado. I serviced heating and refrigeration systems for dairies, feedlots, grocery stores, schools, nursing homes, and hospitals.

U.S. ENGINEERING**2012-2013**

-I became familiar with the trade as a helper for a short period and learned to braze and solder. I learned to install vav coils, commercial chillers and boilers, CRAC units and cooling towers, using threaded pipe, victaulic piping.

-Received schooling for a year which included: safety(OSHA), Rigging, Math, Offsets, Science of the trade. I, copper, pvc, hdpe etc. Installed a Daikin refrigeration split system for a commercial building.

DIAMOND PAINTING**2010-2011**

-Responsible for completing jobs in an orderly and timely manner. I learned the importance of being a team worker.

EDUCATION**THEOCRATIC MINISTRY SCHOOL****2006-CURRENT**

This is an ongoing weekly training school designed to improve my teaching skills. We are trained in writing and delivering speeches in front of large audiences. We are trained to develop our use of questions, speak with conviction and to speak with poise and emphasis.

PIONEER SERVICE SCHOOL**BRIGHTON, CO****2014**

This intensive 1 week of training was completed in order to refine the art of teaching by learning new methods to reach our students hearts.
